LOCAL BREVITIES.

Henry Roberts of the O. R. & L. Co. is very sick with typhoid pneumonia. Wall, Nichols Co. say the tickets for the grand concert are going. Buy today. A license to practice medicine in these Islands has been granted Dr. Coudert. Tonight a meeting of the Hawaiian Jockey Club takes place at 8 o'clock at the Pacific Club. The Honolulu Cricket Club will hold its annual meeting at the Arlington hotel on Wednesday evening. Allan Dunn has designed an attractive cover for Herbert M. Ayres' coming booklet, "Vagrant Verses." The big pump at Maunalei plantation was started on Thursday and everything worked very satisfactorily. Sixteen "drunks" will appear before Judge Wilcox this morning. This is a very small number for Monday morning. The Scripture Union held a meeting yesterday afternoon at Craigside, the Nuuanu valley home of Mr. and Mrs. T. Clive Davies. An exceptionally long calendar is predicted for the next regular session of the Circuit Court. From present indications the calendar will be a record-breaker. Three score Chinese gamblers were arrested Saturday night by Deputy Marshal Chillingworth and posse. Twenty-two of the lot came from Maunaloa valley. Miss Carrie McKeague and William J. Stewart were married Friday evening at the home of the bride in Makiki. Father Valentine performed the marriage ceremony. Mrs. Annis Montague Turner announces that she is not going to sing at the Opera house on Friday evening. Impressions to the contrary notwithstanding. A dog toppled George Napahuelua off his wheel in Palama on Saturday, trying to bite him. A native woman owns the animal and the damaged man has brought the law to bear in the matter. I. R. Burns has resigned his position as manager of the Robert Grieve Publishing company, finding that he cannot do justice to the business without great sacrifice to his personal interests. William H. Cunningham has called on Mrs. Craft of the S. P. C. A. to assure her that he holds no animosity against her or anybody else in regard to the recent cruelty question. He also donated \$25 to the Society as a token thereof.

**Ladies'
Hose**

We have placed on sale this week a line of LADIES' FAST
BLACK HEMSDORF DYED HOSE, received direct from the fac-
tory in Germany (thus avoiding the American duty), which we are
offering at the very low price of six pairs for \$1.00. Now this is an
opportunity not often offered for ladies to supply themselves with a
good staple article of every day use at such a very low price. We
do not claim them to be the finest, but a good strong article of ab-
solutely fast dye.

In addition to the above we have our usual complete line of
LADIES' AND GENT'S, MISSES AND CHILDREN'S **HOSIERY**

Which have their own established reputation.

We have just received a small choice line of

Genuine Scotch Zephyrs.

Now we do not advertise these as cheap goods at all, but just the
kind a lady would select to make a gown of that which she would
look stylish in, but that would stand the kind of laundering it would
receive here.

A small and carefully selected lot of Printed Pure IRISH LINEN
LAWNS in neat and modest designs and colorings, twelve-yard
lengths, which we are offering at just about half the price that they
will have to be sold for when imported under the American tariff
laws.

Of course all ladies know of the great durability of Irish Linen
and its delightful coolness, and here where we use wash goods the
year around it pays to buy a good article that one can feel justified
in expending the time and money necessary in making up in a man-
ner that one would—not on a cheap article that one would have to
cast aside after the first laundering. For trimmings these same goods
we have a very complete assortment to choose from, of Embroideries
of all kinds, CAMBRIC, NAINSOOK and SWISS EDGINGS and IN-
SERTIONS, and All-overs and Laces of every description. These all
imported by us direct from Europe in bond.

Just received direct from the factories at Troy, N. Y., a splendid
line of GENTS' SHIRTS, in dress, colored and negligee. In buying
these shirts we have exercised the greatest care, first as to their fit
and correctness of style, and in case of the colored ones in the very
exacting manner of our examination in regard to their fastness of
color, we doing our best to satisfy ourselves that we were getting
but absolutely fast colors in these shirts, and hope we have suc-
ceeded.

Call and see them and the line of Gents' FURNISHINGS and
UNDERWEAR we carry. To housekeepers who might require them in
a hurry, we wish to state that housekeepers who might require them in
SHEETS and PILLOWCASES, ready made in all sizes and qualities
and at prices we think will be satisfactory.
